

FREE COMMUNITY TAX SERVICE DECISION TREE 23-24

SENIORS CREDIT: "If the only income you received in 2023 was social security or SSEE portion of tier 1 railroad retirement benefits, your benefits aren't generally taxable and you don't need to file a return. you are likely eligible for an Indiana Credit for the Elderly. The credit is usually \$50-100 depending on your total income. If you would like to give us your name and address, we will mail you the form and a pre-addressed envelope to help you claim the credit."

OUT OF SCOPE
"Unfortunately, based on your situation we cannot prepare your tax return this year. You can visit unitedwaysci.org/freefile to find software that will allow you to file yourself, or you could find a paid preparer to help you."
