

THE STATE OF HOUSING IN THE STATE

For cost-burdened Hoosier households, the affordable housing picture is largely comprised of wage gaps, shortages, and barriers to opportunity.

NEARLY
46%

of Hoosier renter households are cost-burdened, paying more than **30% of income on housing costs.**

YOU MUST WORK

86 HOURS
PER WEEK

to afford a **two-bedroom apartment** at fair market rate, if making minimum wage.

ONLY

1 IN **4**

VLI renter households (at or below 50% of AMI) **qualified for federal housing assistance receives it.**

NEARLY
1 IN **20**

publicly supported rental homes face an **expiring affordability restriction** in the next five years.

THERE IS A

134,998

unit deficit of housing that is affordable and available to the 28% of Indiana renters earning 30% of Area Median Income.

AN ESTIMATED

31,767

Hoosier households are evicted from their homes each year. **That's roughly 86 households per day.**
