

Your support of United Way moves families

from **Poverty** to **Possibility**

Nearly half of local families are in, or one emergency away from, poverty

– including 30% of families with children and 43% of seniors.

Your support funds impact year-round. United Way leads and supports community programs and agencies aimed at moving families out of poverty and into possibility. Programs and grant funding work to address the root causes of inequities – from advancing health and education to strengthening livelihoods and resilience. We connect people to possibility. **Join us in taking action so all can thrive.**
