

# CONNECTING PEOPLE TO POSSIBILITY

Nearly half of the families in our region are just one emergency away from poverty, and together, we're tackling challenges no one can solve alone.

## HARD WORK SHOULDN'T MEAN HARDSHIP.

Thousands of our neighbors are working, caring for loved ones, and supporting our communities—yet still struggle to cover basics like housing, food, healthcare, and childcare.

We call this group ALICE—Asset Limited, Income Constrained, Employed. Nearly half of households in our region fall into this category or live in poverty. One unexpected expense—a car repair, a medical bill—can push a family into crisis.

## UNITED WAY IS HERE TO HELP.

By investing in Youth Opportunity, Healthy Community, and Financial Security, we open doors for families to move from crisis to stability—and toward lasting success.

## GIVE TODAY TO HELP FAMILIES THRIVE.

From healthy food and mental health support to youth mentoring and tax assistance, every donation changes lives right here at home.
