

# Financial Stability Alliance: 2021 Impact

**Who We Are:** The Financial Stability Alliance (FSA) is a cohesive network of organizations working to improve the financial stability of residents in south-central Indiana.

**What We Do:** Advocate for policies and changes that will improve people's financial lives; strengthen our member's services through development opportunities and sharing best practices; and measure collective results, including the status of financial stability in the region.

## Strategies & Annual Results

**Workforce Training & Education**  
131 individuals gained employment

**Employment & Income**  
1,428 increased their income

**Financial Literacy**  
31,046 attended at least one financial literacy class

**Affordable Housing**  
3,695 accessed affordable housing units

**19**  
Organizations working together as a network

**31,000**  
Total individuals impacted by FSA programs

## Who are ALICE households?

**ALICE** is an acronym for **A**sset Limited, **I**ncome **C**onstrained, **E**mployed. These households earn above the Federal Poverty Level but struggle to afford basic living expenses.
