“Because I had reliable childcare,
I could finish my nursing degree.
Now I’m able to help other
families do what someone
once did for me.”

– Alice, Financial Security program participant

Building Stable Families, Together

When our neighbors struggle, our whole community feels it. 4 out of 10 families in our region are ALICE – Asset Limited, Income Constrained, Employed – or living in poverty. Our hardworking neighbors, one bill away from crisis.

Youth opportunity, healthy communities, and financial security are all connected – they build on each other, creating stability.

With your support, possibility looks like a weekly mentor, an affordable therapist, a paycheck that stretches far enough.

Your Gift Creates Possibility. Give Today.
